Mircești Winery is a winery you rarely find in Moldova. With a picturesque view that takes your breath away, many call this region "Moldova's Little Tuscany".

The climatic conditions here are comparable to the wine regions of southern Germany (Rhine River Valley) and northern Italy, and each variety is planted on the right slope for it. In addition to Pinot Noir, Saperavi, Sauvignon Blanc, Chardonnay, Riesling, we grow with love and respect traditional local varieties – Feteasca Neagră, Rara Neagră, Feteasca Regală, Feteasca Albă.

Due to the diverse assortment of varieties, we produce both varietal wines and blends under the brands CRAMA MIRCEȘTI and BARDUL DIN MIRCEȘTI.
