

September 18, 2019

To whom it may concern:

We herewith confirm that

Petra Szúcs from CSMKIK

participated in the IMP³rove training course on

Introduction to the IMP³rove Approach

on September 16-17, 2019 in Prague, Czech Republic

This 2-day training provides a holistic framework to assess innovation management capabilities. It introduces the online IMP³rove Assessment and benchmarking functionalities of the globally leading database on innovation management practices on organizational level.

Please note that this is not a certification of a level of expertise in innovation management.
